REMEMBERING VIETNAM

SEALs in Vietnam
1962-1973

COVID19

Due to COVID-related restrictions this year, all Muster activities will take place on Saturday, November 7. There are no activities scheduled for Friday, November 6.

To help maximize social distancing, we are offering two identical programs on Saturday. All festivities will take place on Navy SEAL Museum property. Please bring lawn chairs and join us on the Museum's north lawn for keynote addresses from the MK-V Assault Craft; keynotes and demonstrations will be the same at both presentations on Museum property.

Food trucks will be onsite all day Saturday for guests to purchase food, and beverages will be available for purchase from the mobile bar.
